

Privacy Policy

Last Updated: January 1, 2016

Effective: January 1, 2016

Authors & Editors operates www.authorseditors.com and www.authorseditors.org (the "site"). This page informs you of our policies about the collection, use, and disclosure of personally identifiable information ("personal information") that we receive from users of the site.

We use your personal information only for providing and improving the site and for communicating with you. Your personal information is not sold or shared. By using the site, you agree to the collection and use of personal information in accordance with this policy.

The federal government and technology industry have developed practical tips to help you guard against Internet fraud, secure your computer, and protect your personal information.

Personal Information Collection and Use

While using our site, we may ask you to provide us with certain personal information that can be used to contact or identify you. Personally identifiable information may include, but is not limited to, your name, email address, and telephone number.

Personal information will not be disclosed to third parties without your permission unless responding to subpoenas, court orders, or legal process; to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of Authors & Editors Terms of Use, or as otherwise required by law, or if Authors & Editors is acquired by or merged with another company.

Log Data

Like many website operators, we collect information that your browser sends whenever you visit our site ("log data").

This log data may include information such as your computer's internet protocol ("IP") address, browser type, browser version, the pages of our site that you visit, the time and date of your visit, the time spent on those pages, and other statistics.

In addition, we may use third party services that collect, monitor and analyze this log data.

Communications

We may use your personal information to contact you with announcements, promotional materials, estimates, or other information that may enhance your interaction as you use the site. We will also edit and remove personal information if you pose a question that we include in our FAQ or blog sections.

Cookies

Cookies are files with small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site and stored on your computer's hard drive.

Like many sites, we use cookies to collect information. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our site.

Security

The security of your personal information is important to us but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your personal information, we cannot guarantee its absolute security.

Changes to This Privacy Policy

This privacy policy is effective as of January 1, 2016, and it will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our privacy policy at any time, and you should check this privacy policy periodically. Your continued use of the site after we post any modifications to the privacy policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified privacy policy.

If we make any material changes to this privacy policy, we will notify you either through the email address you have provided to us or by placing a prominent notice on our website.
